## Freedom of Information request to Public Health Wales

<b>FOI Reference:</b>	<b>FOI 446</b>
<b>Date request received</b>	<b>30 September 2020</b>
<b>Date information is due to be sent</b>	<b>27 October 2020</b>

### Information Requested:

How many of the 253 people tested and 16 people tested positive come from Flintshire and have a Flintshire postcode. Or are they from out of area or from England and have been lucky enough to get a test in this area

### Information provided for the answer:

Thank you for your recent request for information. Where a case of Covid-19 is confirmed via our dashboard, this relates to the primary residence of the person tested. If any people had travelled from England to Flintshire to get a test, this would be recorded as resident outside of Wales.

This means that for 29<sup>th</sup> September, all 253 people listed as tested and 16 people confirmed positive within Flintshire, would be resident within that local authority area.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO

cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
