Freedom of Information request to Public Health Wales

FOI Reference:	244
Date request received	See below
Date information is due to be sent	Not applicable

Information Requested:

I refer to the eleven requests received by us from the firm of Bott & Co, over the period 30th August 2019 to 18/09/2019, in relation to reported cases of illness in a number of hotels across the world.

Information provided for the answer:

Having considered your requests, and taking full account of the requirements of the Freedom of Information Act 2000 (FOIA), and the Information Commissioner's guidance on dealing with such requests, I have made the decision to treat these requests as vexatious and so under Section 14(1) FOIA, your requests for information are refused.

Please note that as we have now received several of these requests from your firm, any further requests of a similar nature will also be treated as vexatious and as permitted under the FOIA you will not receive any response.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 2 Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO

cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
