**Date request received** **25th October 2017**

**Date information is due to be sent** **N/A**

### Information requested:

Please could you provide me with an electronic list of all NHS Wales secondary and tertiary locations in Wales, (full postal address) including the Trusts they fall under, and any other labels used to categorise them please. (e.g. regions codes or facility type)

### Clarification requested:

Please can you clarify what you mean by secondary and tertiary locations in Wales. The time limit to answer this request under Freedom of Information Act restarts once clarification is received.

### Clarification received:

Thanks for your email, I may have mislabelled my request, but I meant Hospitals and community care functions, specialist units, mental health Trusts and ambulance organisations. (everything larger than GP surgeries please) We supply respiratory protection products and surgical items and would like to have details of all locations that may be potential customers.

## Information provided for the answer:

Thank you for your email dated 25<sup>th</sup> October. I regret to inform you that we do not hold the information you requested. Public Health Wales does not provide secondary or tertiary care and has no hospitals in its estate.
