Freedom of Information request to Public Health Wales

FOI Reference:	FOI 093
Date request received	12 February 2018
Date information is due to be sent	12 March 2018

Information requested:

I would like information under the freedom of information act 2000. My daughter's dissertation is on the prevention of pressure sore in hospital and community. As part of your 1000 lives campaign there were publications from 2012 and 13 about pressure ulcers and the improvements that Abertawe (ABM) had made in reducing the incidence. However the 1000 lives have not published any up date for several years. I wonder if you hold this information and whether you could share it.

I am basically looking for the numbers of pressure ulcers reported years by year for 2013 to 2018 and if possible by health authority as well as the national incidence.

Information provided for the answer:

Thank you for your email dated 12th February 2018. I regret to inform you that we do not hold the information you requested. Public Health Wales does not provide secondary care and has no hospitals in its estate. 1000 Lives no longer collects this information.

May we recommend that you contact the following sources who may be able to help you with your enquiry:-
