Freedom of Information request to Public Health Wales

FOI Reference:	FOI 310
Date request received	29 March 2020
Date information is due to be sent	28 April 2020

Information Requested:

I would like a more detailed report on the instances of Coronavirus within the Aneurin Bevan Health Board area.

As this area covers a large number of counties and geographical area, it is not of use to the residents in the area.

Please provide up to date figures for the largest conurbations in the area and for each county as a minimum, and admissions to each hospital covered by the board.

Information provided for the answer:

Thank you for your recent request. Public Health Wales has been under unprecedented demand due to the Covid-19 response, so we apologise if there has been a delay in the response to your request.

We have recently published an interactive dashboard that allows the user to look at data around testing and confirmed cases by local Health Board as well as the Local Authority area. The link to the dashboard is below:

[Covid-19 Surveillance](#)

This can also be found on the Public Health Wales internet page under Topics.

We hope this answers your request. In relation to data regarding Deaths following a positive Covid-19 result, we are unable to publish anything other than the headline figure due to patient confidentiality.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
