Freedom of Information request to Public Health Wales

FOI Reference:	FOI 463
Date request received	11 October 2020
Date information is due to be sent	8 November 2020

Information Requested:

As a resident of Newport and subject to the current Covid-19 restrictions I would like to know the population of Newport as used to calculate the cases per 100,000 population.

Please also confirm the daily cases in Newport used to provide the cases per 100,000 of the population since the local restrictions were announced on 22 September.

Information provided for the answer:

Thank you for your recent request. Population numbers are taken from the Office Of National Statistics Mid 2019 estimates. The population used to calculate cases per 100,000 for Newport is 154,676. You can find a link to that data here: [ONS Population Estimates](#)

You can find the information used to calculate the cases per 100,000, broken down on a weekly basis via our dashboard: [Covid-19 Dashboard](#)

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
