Freedom of Information request to Public Health Wales

FOI Reference:	FOI 336
Date request received	11 May 2020
Date information is due to be sent	09 Jun 2020

Information Requested:

Figures for deaths from corona virus are published for each health board as are the numbers of cases of corona virus discovered .I have found that the number of cases are further broken down by individual counties in north wales at least . I would like the figures for actual deaths { currently 171 for the Betsi Cadwaladr Health Board } further broken down by individual counties please or to be directed to a site where they can be seen

Information provided for the answer:

Thank you for your recent request. Unfortunately Public Health Wales does not hold the information requested, but the information is published to this level by the Office of National Statistics (ONS)

Please find a link for your convenience to their website, where you can search for the information you require:

<https://www.ons.gov.uk/deathregistrationsandoccurrencesbylocalauthorityandhealthboard>

From the excel drop down list, you can select either Local Authority or Health Board, then filter on the area name you require, then all causes or Covid-19. It also advises the place of death, as well as the number of deaths.
