<b>Date information is due to be sent</b>	<b>8<sup>th</sup> February 2021</b>

### Information Requested:

I've looked at tidsiCovid Dashboard and it's still giving the vaccination figures for W/E 3/2/21. When will the dashboard be updated for the latest figure, W/E 10/01/21?

### Information provided for the answer:

Thank you for your recent request.

This information is publically available through the Public Health Wales website.

The Public Health Wales dashboard provides an updated summary each day of the numbers of people that have received Covid vaccinations. The link is provided for you below:-

<https://public.tableau.com/profile/public.health.wales.health.protection#!/vizhome/RapidCOVID-19virology-Public/Headlinesummary>

There is also a separate tab on the right hand side called vaccinations and this shows weekly doses of Coronavirus vaccine administered by Health Boards and this is to be updated every Thursday.

I hope that this information is of assistance.
