**From:** FOI (Public Health Wales)  
**Subject:** FW: FOI Request for Public Health Wales NHS Trust  
**Importance:** High

In regards to your FOI detailed below, please find enclosed the answer to your questions from Public Health Wales NHS trust

***The total amount spent by your organisation on non-medical / non-clinical interim staff (i.e. staff that may work within contract management, human resources, IT, finance, procurement, business development, administration, et cetera)***

- ***I request this information for the financial years of 2013/14 and 2014/15***
- ***When responding, please confirm if the value given is inclusive of agency fees and VAT***

These are all agency costs for administrative staff. It is not possible to split into clinical and non clinical areas – we only record expenditure by type of staff. So these costs may include admin staff working in clinical areas.

1. 2013/14 £294k
2. 2014/15 £692k
3. The costs are inclusive of VAT and agency costs.
