In regards to your FOI detailed below, please find enclosed the answer to your questions from Public Health Wales NHS Trust.

The total amount spent by your organisation on non-medical / non-clinical interim staff (i.e. staff that may work within contract management, human resources, IT, finance, procurement, business development, administration, et cetera)

- I request this information for the financial years of 2013/14 and 2014/15
- When responding, please confirm if the value given is inclusive of agency fees and VAT

These are all agency costs for administrative staff. It is not possible to split into clinical and non-clinical areas – we only record expenditure by type of staff. So these costs may include admin staff working in clinical areas.

1. 2013/14 £294k
2. 2014/15 £692k
3. The costs are inclusive of VAT and agency costs.
