Freedom of Information request to Public Health Wales

FOI Reference:	FOI 513
Date request received	17th November 2020
Date information is due to be sent	15th December 2020

Information requested:

Could you please help me with a Freedom of Information request.

I am doing a PhD on NHS Radiology Service Improvement, and I am after some anonymised data.

I have the publicly available *NHS England Tables 7e Modality Commissioner Request to Test, and Test to Report, DID - number of days from 'Date of Test' to 'Date of Test Report Issued' for Computerised Axial Tomography data set*. But I am after the matching figures for 2010/11-2019/20 for the rest of the UK.

Could you supply me (if you have the data) with the "exam to report issue turnaround time for CT", this is the "maximum number of days between a CT exam taking place and the issuing of the CT report".

I would like an email of either the national NHS Wales average for

2010/11

2011/12

2012/13

2013/14

2015/16

2016/17

2017/18

2018/19

2019/20

I do not wish to know any individual Hospital data or names just either the annual average for these years, or ideally to match the *NHS England Tables 7e Modality Commissioner Request to Test, and Test to Report, DID - number of days from 'Date of Test' to 'Date of Test Report Issued' for Computerised Axial Tomography data set* the TAT reports set again same day, 1 day 2-7 days 7-14 days, 15-31 days, 32-62 days, or a total for each year.
