Freedom of Information request to Public Health Wales

FOI Reference:	FOI 044
Date request received	August 21st 2017
Date information is due to be sent	September 19th 2017

Information Requested

'I would be grateful if you could send me a list of your Gastroenterology Consultants and IBD nurses under a freedom of information request'

Information sent

Thank you for your request for information under the Freedom of Information (FOI) Act.

As the receiving organisation Public Health Wales has a duty to inform you that we do not hold the data at this office.

I also have a duty to assist you in finding those organisations which may have the information you need.

With this mind, I'd like to help you then with some general information and signposting.

In Wales, there are 7 Local Health Boards which are NHS Wales statutory bodies responsible for planning, securing and delivering health services for the resident population in their geographical areas.

Each of the Local Health Boards has their own website with contact details for FOI requests.

Health Board colleagues may be able to provide lists of their consultants and nurses in gastroenterology/IBD specialities.

You'll be able to find appropriate contacts via the page links below:

Abertawe Bro Morgannwg University Health Board
