Freedom of Information request to Public Health Wales

FOI Reference:

FOI 205

Date request received

31 March 2019

Date information is due to be sent

30 April 2019

Information requested:

I am a trainee reporter for Wales Online and I am writing a piece on cervical cancer screening in Wales - it was discovered a few weeks ago that the NHS removed a contract with Capita for 43,220 women not receiving screening invitations.

Was this contract with NHS Wales too and were there any women from Wales, and if so - how many women were there who did not receive their screening invitations.

I would also like whereabouts in Wales, the women affected were from.

Can I have the information in an excel spreadsheet please?

Information provided for the answer:

Thank you for your email.

Cervical Screening Wales has never had a contract with Captia to undertake the screening invitations for the programme. There were no women who were affected by the incident living in Wales.
