**Subject:** Information Request

[REDACTED]

In regards to your request for information under the Freedom of Information act regarding diabetes in the Nantygwyddon area.

Public Health Wales does not collect this information specific to your request, however our analytical teams have suggested the following other data sources may help you

- The closest thing we have is recorded diabetes prevalence by GP Cluster. The North and South Rhondda clusters cover the Nantygwyddon area. The report can be accessed [here](#).
- No information will be available at Ward level, the closest thing will be practice level. We're about to start work on practice level info (including diabetes). Publication is due next February.
- <http://wales.gov.uk/statistics-and-research/general-medical-services-contract/?tab=previous&lang=en#/statistics-and-research/general-medical-services-contract/?lang=en>

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, Unit 1 Charnwood Court, Heol Billingsley, Parc Nantgarw Cardiff, CF15 7QZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
