Your request for information under the Freedom of Information Act has reached Public Health Wales NHS trust. I am unsure if you are aware how the NHS in Wales is structured, we have 3 all Wales trusts and 8 Health Boards. The Health Boards in Wales host the hospitals who would potentially have performed the operations you are seeking information on.

Public Health Wales does not hold this information.

These Health Boards can be contacted via the Health in Wales website linked to here for your convenience.

You will need to approach them individually to obtain the information you require. The site also contains links to the all Wales services which may be of use to you for future reference.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, [No 2 Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ](#)

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision.
