## Freedom of Information request to Public Health Wales

<b>FOI Reference:</b>	<b>FOI 516</b>
<b>Date request received</b>	<b>19<sup>th</sup> November 2020</b>
<b>Date information is due to be sent</b>	<b>17<sup>th</sup> December 2020</b>

### Information Requested:

I would like to request the following data if available.

Numbers of confirmed Covid 19 cases on the 23<sup>rd</sup> March 2020 in the CF72 postcode area.

I am unable to find the data elsewhere and appreciate your assistance

### Information provided for the answer:

Thank you for your recent request.

Please find a link below to our dashboard which contains information on Middle Super Output areas

<https://public.tableau.com/profile/public.health.wales.health.protection#!/vizhome/RapidCOVID-19virology-Public/Headlinesummary>

If you click on the Cases by MSOA tab, then on the right hand side, click on the Local Authority dropdown and select Rhondda Cynon Taff. The map will then show you the areas within that local authority.

Unfortunately the published data that is publically available does not drill down as low as single villages.

Further information may be held by Rhondda Cynon Taff Borough Council and I attach a link to their Freedom of Information team, should you wish to contact them:-

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
