## **Our response**

### **Current contract details**

Public Health Wales has numerous centres all over Wales, some large , some small, each with distinct budgets and the ability for business managers to purchase locally for smaller items, one off or contract. We use a National framework ( Crown Commercial Services- CCS / Eastern Shires Purchasing organisation ESPO, and Government Procurement services GPS) to acquire Photocopiers and MFD devices, so all details as start / end date, OJEU Numbers are held with them

### **Companies awarded**

Please see the attached spreadsheet

### **Length of contracts**

We do not hold this data

### **Annual spend**

Please see the attached spreadsheet below
