Freedom of Information request to Public Health Wales

FOI Reference:	FOI 495
Date request received	21st October 2020
Date information is due to be sent	18th November 2020

Information Requested:

Please can you advise the number of cases reported for St Athan unable to trace any details.

Information provided for the answer:

Thank you for your recent request.

Please find a link below to our dashboard which contains information on Middle Super Output Areas.

<https://public.tableau.com/profile/public.health.wales.health.protection#!/vizhome/RapidCOVID-19virology-Public/Headlinesummary>

If you click on the Cases by MSOA tab, then on the right hand side, click on the Local Authority dropdown and select Vale of Glamorgan. The map will then show you the areas within VOG. St Athan would come under the Rhoose and Airport MSOA and the total number of Covid-19 Cases up to yesterday in the Rhoose and Airport MSOA is 67, and 4 within the rolling week (13-19 October). Unfortunately the data that we make public doesn't go as low as single villages.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:

Information Commissioner for Wales
