Date request received	20th October 2020
Date information is due to be sent	17th November 2020

Information Requested:

I would be grateful if information could be shared with the Welsh population with regard to hospital capacity throughout Wales for Covid 19 patients.

BBC news Wales have highlighted one health boards Covid 19 capacity which does not provide the complete picture.

In view of the short lockdown imposed on the Welsh population, I along with many others seek information.

Unfortunately Public Health Wales does not hold the information you need, it would be held by the individual health boards who are responsible for over seeing the hospitals. You will need to contact each Health Board who may be able to give you the information they require.
