

Dear Public Health Wales NHS Trust,

This is a request for the below information under the Freedom of Information Act 2000.

Please could you provide me mortality rates for all the hospitals in Wales please from 2000 until 2013 where patients are admitted to stay overnight.

I am looking for the number of patients who have passed away in each hospital each year. If I could have the figure as a number and also as a percentage. It would also help to have annual total patient admission numbers for the same period for those hospitals which admit patients overnight too.

I have included a list of hospitals below:

Bronglais General Hospital  
Glan Clwyd Hospital  
Glangwili General Hospital  
Morrison Hospital
