### Information Requested:

I am currently investigating historic referral to treatment waiting time data in the NHS. I was wondering if you could provide me with the monthly number of completed pathways for each treatment function broken down by the number of weeks taken for your trust for both admitted and non-admitted patients.

I am looking to get data for every month between April 2013 and March 2019.

For reference I have attached spreadsheets that show the data in the desired format from April 2018.
