Freedom of Information request to Public Health Wales

| | |
|---|-----------------------|
| FOI Reference: | FOI 401 |
| Date request received | 31 July 2020 |
| Date information is due to be sent | 28 August 2020 |

Information Requested:

I'm doing this as part of my work for Antur Aelhaearn and their 'Byw a Bod' project looking into the problems faced by young people in the community and how we can tackle them. I'm defining the 'Llanaelhaearn area' as the Parishes of Llanaelhaearn and Pistyll and seeking information to answer the following question:

Obesity rates in children and young people between the ages of 18-25 in the Llanaelhaearn area, broken down by age group if this is possible.

Information provided for the answer:

Thank you for your recent request, unfortunately we do not hold the data at the level you require. The nearest available data would be at MSOA level which is a different geography to Parishes.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
