Freedom of Information request to Public Health Wales

FOI Reference:	FOI 435
Date request received	20 September 2020
Date information is due to be sent	N/A

Information Requested:

I wish to know how much is paid to GPs as an incentive to administer the flu vaccine each year.
How is it broken down - is there a payment for each individual patient? Also, why would GPs need financial incentives if these vaccines are so safe and effective?

Information provided for the answer:

Thank you for your recent request. Unfortunately Public Health Wales does not hold the information requested. GP Incentives are directed by Welsh Government and paid via the local Health Boards. You will need to contact each Health Board and/or Welsh Government to provide you with the details you require.

I have provided links to their contact details below.
