### Information requested:

Please can I be informed of the number of instances over the past five years where the use of Levofloxacin or any other fluoroquinolone antibiotic has been a suspected contributing factor in Achilles heel related side effects.

### Information provided for the answer:

Thank you for your email dated 31st August 2018.

Unfortunately Public Health Wales does not hold any information on the side effects of antibiotics.

May we recommend that you contact the following sources who may be able to help you with your enquiry:-

- Abertawe Bro Morgannwg University Health Board

- Aneurin Bevan University Health Board

- Betsi Cadwaladr University Health Board

- Cardiff and Vale University Health Board
If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:
