

Dear Sir

In regard to your email regarding Asthma detailed below

I wish to be supplied with the following information;

- 1. The number of deaths in Wales from asthma concerning persons under the age of eighteen years for the year 2013,**
- 2. The number of deaths in Wales from asthma concerning persons over the age of eighteen years for the year 2013.**

I can confirm now that Public Health Wales does not hold such information, there does not appear to be an all Wales data source on this subject. If there is any data on Asthma, it may be held by the Office of National Statistics (ONS), who do collate and collect information on diseases on a UK basis. Their website can be viewed here ...

Disease specific information may also be held at a Health Board level in Wales, these organisations can be contacted here ...
