Freedom of Information request to Public Health Wales

FOI Reference:	FOI 529
Date request received	28th November 2020
Date information is due to be sent	29th December 2020

Information Requested:

I would like to request information on where Coronavirus is contracted, that is to say percentage wise in the home, at work, pubs, restaurant's, public transport etc.

I have already contacted The Welsh Government and they have advised me to contact yourselves as they don't keep that information, they also said that the information is not necessarily exact on where the virus was contracted but you must have some conclusions as it would be impossible to make policy going forward,

Information provided for the answer:

Thank you for your recent request. I have consulted with the relevant department who have advised that Public Health Wales do not hold this level of detailed accurate information.

I understand that you have already contacted Welsh Assembly Government for this information.

I understand that the World Health Organisation may hold some information relevant to your enquiry and I attach a link below:-

I am sorry that I cannot be of more help on this occasion.
