## Freedom of Information request to Public Health Wales

Date request received	23 November
Date information is due to be sent	20 December

### Information requested:

How many GP surgeries in Wales have reported a shortage of 'flu vaccinations for each month from October 2015 – November 2016?

Please provide this information broken down by Health Board.

### Information provided for the answer

I have now checked with our Immunisation and Vaccines team and can confirm that Public Health Wales does not collate or hold this information. It should be collected by the relevant Health Boards, therefore you will need to contact them individually via the Health in Wales website (unless you are aware of individual contacts) <http://www.wales.nhs.uk/ourservices/directory> .

If I can help further please come back to me.
