<b>FOI Reference:</b>	<b>FOI 632</b>
<b>Date request received</b>	<b>25<sup>th</sup> January 2021</b>
<b>Date information is due to be sent</b>	<b>22<sup>nd</sup> February 2021</b>

### Information Requested:

I am writing to ask how I find out how many cases of covid were I my local area last year, in the first lockdown. The reason I ask this is my insurance company asked how many cases of covid with in a 25 mile area of SA46SR. And can you find the amount exactly or are they sending us on a Wilde goose chase.

### Information provided for the answer:

Thank you for your recent request.

This information is publically accessible via the Public Health Wales website.

I attach the link below:-

[Covid-19 Dashboard](#)

If you click on the Cases by MSOA tab, then on the right hand side, click on the Local Authority dropdown and select Swansea. The map will then show you the areas within Swansea. Unfortunately the data that we make public doesn't go as low as single villages.

I hope that this information is of assistance.
