Information Requested:

I know that there is data for cases and deaths on the PHW dashboard as well as hospital admissions data by health board. However, I was hoping that you also had the hospital admission data by age ranges so that I could determine how likely it is that certain ages would be admitted.

I would be grateful for any information related to this.

Thank you for your recent request.

Unfortunately, we do not hold the data in this format and cannot supply individual line-listing data.
