Date information is due to be sent 24/06/2019

Information requested:

I wonder if you can help with a query relating to the Director of Knowledge post?

The query is about the funding arrangements for this post. Can you outline the funding arrangements for this post and if indeed any external funding is contributing to salary costs, specifically Cardiff University.

Information provided for the answer:

Thank you for your email dated 15th May 2019.

The Director of Knowledge post will be funded from finances already allocated to the divisions of Health Intelligence and Research and Evaluation, which, on 1 April 2019 were amalgamated (from other Directorates) to form the Knowledge Directorate.

No external funding is contributing to salary costs.
