Freedom of Information request to Public Health Wales

Date request received	21 October
Date information is due to be sent	19 th November

Information requested:

Under the Freedom of Information Act, could you please provide the following information?

Could you please supply a list of all the websites which your staff have tried to access but were blocked from doing so while using work phones, computers, tablets and other devices since January 2014.

If there is a possibility the request exceeds the Section 12 limits of the act, can you provide assistance in narrowing my request to within practical limits.

Information provided for the answer

Blocked site visits From 010114 to 171116
