Freedom of Information request to Public Health Wales

FOI Reference:	FOI 581
Date request received	3 January 2021
Date information is due to be sent	1 March 2021

Information Requested:

Under the freedom of information act I would like you to provide me with a copy of all reports/correspondence you hold relating to the DVLA Swansea pertaining to the COVID crisis and in particular any concerns that you have raised concerning their management of safety of staff at their main site as well as the Contact Centre.

This includes any recommendations that you have made regarding safety that they may/may not have adhered too.

Information provided for the answer:

Thank you for your recent request. The outbreak at the DVLA was declared over on 24 February 2021. Public Health Wales will issue a close out report within 3 months of the outbreak being declared over.

Under section 22 of the Freedom of Information Act 2000, I can refuse a request for information that is due to be published in the future. Before doing so however, I am required to consider the public interest in either releasing the information or engaging the exemption. Whilst there is a significant amount of interest in the information requested, there is also a significant public interest in delivering an effective Public Health service at this present time. Developing the information to make it suitable for publication at this time would incur diverting resources from the critical day to day resources of managing the pandemic thereby degrading the other services that Public Health Wales is expected to

deliver as part of the response to the emergency. Whilst the report will be published within 3 months we aim to do this as soon as is reasonably practicable.

The comprehensive outbreak report will provide full details of the investigation, findings, evidence of meetings that took place and recommendations. It will not be helpful to provide correspondence prior to release that may be taken out of context and cause unnecessary harm or confusion. The report will be formulated by the members of the outbreak control team and present an independent view that is publically available.

It is my opinion that the public interest in releasing the information is outweighed by the public interest in maintaining the public health service. As a result I am engaging the exemption provided by section 22 and refusing the request.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:

Information Commissioner for Wales
