Freedom of Information request to Public Health Wales

FOI Reference:	FOI 308
Date request received	25/03/2020
Date information is due to be sent	24/03/2020

Information Requested:

I'm currently working for a print company in Gwent, I've been told along with the rest of my work colleagues, by owner of the company that we are to remain open during this coronavirus pandemic, now the reason we were given for staying open was to supply our printed work to Public Health Wales, NHS Wales. What I'm Seeking is confirmation of this, so I'm requesting a list of companies that Public Health Wales and NHS Wales have requested to stay open to supply them with what they need during crisis.

Information provided for the answer:

Thank you for your recent request. Public Health Wales has not asked for any printing companies to stay open during COVID-19.

There is no central contact for NHS Wales so in the event that you haven't already contacted the various Health Boards and Trusts in Wales, I have provided links to their contact details below.
