FOI Reference:	FOI 585
Date request received	5th January 2021
Date information is due to be sent	2nd February 2021

Information Requested:

Public Health Wales published the second weekly data set on the number of COVID-19 vaccinations administered across Wales. As at 8am on 27 December, 35,335 vaccinations had been administered by Welsh health boards.

Thank you for your recent request.

Public Health Wales publish a dashboard with information held relating to Covid-19 vaccination statistics, the link to which is provided for you below:-

There is a tab on the right hand side called vaccinations, if you click on this you can access the published information.

I hope that this information is of assistance.
