Information Requested:
Thanks - essentially if there was any positive cases reported to PHW from the Pendine organisation October 1st - Nov 12th, and specifically on the Wrexham site on Summerhill Road ('Highfield'), and if so when / volume of positive cases.

Information provided for the answer:
Thank you for your recent request. I have liaised with the relevant department and can advise that the following information is held:-

Our records indicate that there was a COVID-19 incident recorded at the Residential Home in question during the period 1st October – 12th November.

Unfortunately we do not disclose details of low numbers of cases as this information is considered to be confidential. This is to reduce the risk of disclosing the identities of individuals. Low figures are considered exempt under Section 40(2) of the Freedom of Information Act 2000 where disclosure would allow the possibility of the identification of a living individual(s), thereby breaching the Data Protection Act 2018.

I am sorry that I cannot be of more assistance on this occasion.
