Information Requested:

I would be grateful if information could be shared with the Welsh population with regard to hospital capacity throughout Wales for Covid 19 patients.

BBC news Wales have highlighted one health boards Covid 19 capacity which does not provide the complete picture.

In view of the short lockdown imposed on the Welsh population, I along with many others seek information.

Information provided for the answer:

Thank you for your recent request.

Unfortunately Public Health Wales does not hold the information you need, it would be held by the individual health boards who are responsible for over seeing the hospitals. You will need to contact each Health Board who may be able to give you the information they require.

I have provided links to their contact details below.
