**Information Requested:**

I am currently a Year 13 student at St Cyres School in the Vale of Glamorgan and I'm looking at eating disorders as part of my Welsh Baccalaureate coursework. I have been unable to find some data that is required in my aims and objectives and I was wondering if you could help me.

These are the questions I'm hoping you can help me with:

- What happens after a person has been discharged after being admitted with an eating disorder?
- What are the relapse rates for eating disorders (if you have data on this)?

Thank you for your time,
