FOI Reference: FOI 332

Date request received: 10 May 2020

Date information is due to be sent: 08 June 2020

Information Requested:
I keep a record of the number of confirmed cases in the 6 Counties that comprise the Betsi Cadwaladr University Health Board namely, Anglesey, Conway, Denby, Flints, Gwynedd and Wrexham. It is clear that the daily figures released by PHW are accumulative not the actual number of patients being treated on that particular day! Please in respect of the Wrexham County Borough Council supply the actual number of patients in the Wrexham Maelor Hospital on the 11th May and each subsequent day up to the date on which this notice is complied with.

Information provided for the answer:
Thank you for your recent request. Public Health Wales does not hold the information requested, hospital admission and treatment data would be held by the individual health boards. We receive information on how many people have been tested for Covid-19 and their results, but not how many people have been admitted or treated on any given day.

I have included the contact link for Betsi Cadwaladr University Health Board below, should you wish to contact them

http://www.wales.nhs.uk/sitesplus/861/page/39134

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should
write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:

Information Commissioner for Wales
