</table>

### Information requested:

A copy of the "Product Information Sheet" and "Safety Data Sheet" for a multiplex diagnostic test used in Wales for multiple respiratory viruses, together confirmation of the amplification cycle threshold for a positive Covid-19 infection.

### Information provided for the answer:

Thank you for your recent request and please find the information held:

For multiplex respiratory assays we have validated and routinely use; Luminex NxTag RPP and BioMerieux Biofire.

The product Information Sheet and Safety Data Sheet is information which is in the public domain, for your convenience I attach links to the company websites below:

- [https://www.luminexcorp.com/eu/nxtag-respiratory-pathogen-panel/](https://www.luminexcorp.com/eu/nxtag-respiratory-pathogen-panel/)
- [https://www.biomerieux.co.uk/search/apachesolr_search/biofire](https://www.biomerieux.co.uk/search/apachesolr_search/biofire)
If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, you should write to the Corporate Complaints Manager, Public Health Wales NHS Trust, 3, Number 2, Capital Quarter, Tyndall Street, Cardiff, CF10 4BZ.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust. The Information Commissioner can be contacted at:

Information Commissioner for Wales
