Information Requested:
Can you please give me a breakdown of the percentage of positive covid test performed at each cycle threshold from December 1st.
I enclose a screenshot of the information previously returned and therefore I am just requesting updated data.
Please return the reply to this email as soon as possible.

Information provided for the answer:
Thank you for your recent request.
Public Health Wales holds the following data within the scope of your request:

1. The table below gives the breakdown of CT values for the tests performed in Welsh Laboratories in October.

<table>
<thead>
<tr>
<th>Ct Range</th>
<th>% of Tests</th>
</tr>
</thead>
<tbody>
<tr>
<td>11-20</td>
<td>17.6</td>
</tr>
</tbody>
</table>
Please note that the data provided is from October but this remains unchanged.

The number of cycles is determined by the different suppliers for each platform, and we are not aware that the number of cycles has changed through the course of the pandemic.
